Bolded competitions are ones that are either homesite tests or have materials that MUST be turned in by January 16.

Items that have shaded backgrounds are not held at regionals. They go straight to state. However, you MUST present your final project no later than March 1 to a panel of judges to see whether or not the judges feel that your project is "state caliber" - you should be ready to present SOON!

### Teams:

Amer. Enterprise 1	Felicity, Carolanne, Stacy
