1998-99 Membership

This was our first year in existence. Freeman FBLA began with only one member, Abby Thomas. She came in from Liberty High School where they did have an FBLA chapter. She really wanted to join FBLA and since we didn't have a chapter, we decided where they did have an FBLA chapter. She really wanted to join FBLA and since we didn't have a chapter, we decided to begin one. Our advisor, Scott Moore, had previously been an assistant advisor at Lindbergh High School, in Renton, Washington. He taught there from 1982 - 1991 and was instrumental in the development of the LHS chapter. When Abby showed an interest in beginning a chapter here, Mr. Moore agreed to be the advisor. Our chapter has grown from one member in 1998 to the largest chapter in the Northeast Region the last four years.
