

## Freeman's FBLA Members Rise To The Top!

On February 4, forty-two FBLA members from Freeman HS attended the 2009 Northeast Region FBLA Conference at the Faith Bible Church in north Spokane. They joined approximately 350 other students from throughout the region to compete in a number of business related areas such as Job Interview, Network Concepts, Accounting, Public Speaking, Entrepreneurship, Business Ethics, Desktop Publishing, and over 40 other categories. The top five in each competition qualified for the state conference which will be held in Spokane during the second week of April.
